Getting to the Race

The 2011 Honda LA Marathon is a point-to-point course. The start will be at Dodger Stadium and the finish in Santa Monica. The best way to get around the city to see your runner is to use the Commuterama site, www.commuterama.com.

For directions to the finish line and parking structures in Santa Monica, [click here](#).

Parking Information

Parking is expected to be very limited with 25,000 runners, their families and spectators expected to fill the City's 12,000 parking spaces plus available private facilities that choose to open to the public that day. We strongly encourage walking, biking and using public transit to get to a spot on the route if you would like to cheer on the runners. View public transit options at www.bigbluebus.com. Vehicle parking will be available

on a first-come, first-served basis in Downtown Santa Monica at city-owned and private parking facilities and at city-owned beach lots.

Use the city's live parking information website www.smgov.net/parkingspacenow to monitor parking space availability.

Finish Line Festival

The Finish Line Festival is open to the general public and is the perfect location to enjoy the entire 2011 Honda LA Marathon and post-race celebrations. Located just south of Colorado Avenue and the Santa Monica Pier (open lot between Ocean Avenue and Main Street), the Finish Line Festival will feature a large screen broadcasting the live Marathon telecast, numerous sponsor exhibits and displays, the official Michelob ULTRA Beer Garden, food and beverage sales, live music and much more. As access to the actual finish line is restricted to runners and race officials only, families and friends are directed to meet up with the runners at the Family Reunion Area located inside of the Finish Line Festival footprint.

Appearing live on the 104.3 MYfm Finish Line Festival!

Hot Spectator Spots

In 2011, the Honda LA Marathon will be staging Hot Spectator Spots on race day in each of the municipalities at key locations. Each "Hot Spec Spot" is a large community celebration located directly adjacent to the Marathon route providing key viewing of the race. This will be a focal point of race day entertainment with live music, a sponsor village featuring food and beverage sampling, sponsor exhibits, radio remotes with top Clear Channel stations and more. Hot Spec Spots start at 7am and run through 2pm providing a great location to celebrate with your friends and neighbors.
